

List of organizations, universities and businesses using fair voting systems

August 2010

Unless noted otherwise, the organizations are using Full Choice Voting (or the single transferrable vote - STV), a fair voting system adaptable for elections in which there are no parties.

USA

The following data on US universities was compiled by Fair Vote (US).

Harvard University: multi-seat undergraduate council position

University of California at Berkeley: Associated Students of the University of California - Berkeley

University of California – Davis: Associated Students of the University of California - Davis

North Carolina State University: student senate and other boards

Vassar College: multi-seat student elections

Lewis and Clark College: Associated Students for all multi-seat elections.

Whitman College: student senate

United Kingdom and Ireland

The following was compiled by the Electoral Reform Society (UK). This list does not include all the local organizations using STV.
