

# IMAGINE DEMOCRACY

## IMAGINE A CANADA WHERE...

- voting is worthwhile, because your vote *always* elects someone
- election results are fair: parties get the number of seats they deserve, equal to their share of the popular vote
- laws are made by MPs who represent the *majority* of voters
- government is stable, effective and accountable to voters
- Parliament reflects Canada's diversity

**BUT WHY SHOULD WE HAVE  
TO *IMAGINE* OUR BASIC  
DEMOCRATIC RIGHTS?**

**LET'S DO MORE THAN DREAM:  
LET'S MAKE IT HAPPEN! ▶**
