

CANADA NEEDS A FAIR AND DEMOCRATIC VOTING SYSTEM NOW!

Most Western democracies abandoned winner-take-all voting last century, replacing it with fair and proportional systems. **Fair Vote Canada** is a national campaign of citizens from all regions, all walks of life, and all points on the political spectrum. We're calling for the adoption of fair voting systems, based on voter equality, at all levels of government.

Take Action! Lobby your MP and MLA/MPP, talk to your friends and neighbours, write to newspapers, call radio shows, and comment on blogs. **To join us or donate, visit www.fairvote.ca or use this form!**
